### NEW BioAstin Supreme Information Sheet

#### What is BioAstin Supreme?

**BioAstin Supreme** has all the benefits of the regular BioAstin capsules, but has the added advantage of now being suitable for vegetarians.

All the ingredients and the gel capsule they are contained in are totally vegetarian.

BioAstin Supreme will still offer the many benefits of the regular BioAstin, but with the added advantage of containing not only more **Astaxanthin**, the active ingredient in BioAstin, but other added ingredients also.

There are strong indications that BioAstin has many benefits and can:

- *limit and prevent sunburn & prickly heat, whilst promoting an even, long lasting suntan*
- *help to reduce the damaging effects of the sun's rays on the skin*
- *support healthy skin*
- *alleviate the effects of Carpal Tunnel Syndrome*
- *alleviate joint pain and soreness*
- *promote stomach health*
- *promote energy levels and help to alleviate lethargy*
- *act as one of the most powerful antioxidants available today*
- *protect the joints from inflammation after exercise*
- *support healthy immune function*
- *support a healthy cardiovascular system*
- *support anti-aging through cellular health*

Please also try the **BioAstin Sun Protection Crème\***, which contains the maximum amount of Astaxanthin and other natural ingredients. When taking BioAstin capsules **and** using the BioAstin Sun Protection Crème together, not only will you receive double the protection from the sun's harmful rays, you will also safeguard against long term skin damage.

The **Aloe Vera After Sun Lotion\*** is available to help keep your skin smooth and soft; it will also prevent peeling, therefore helping to preserve your tan for a longer period.

Both these products have been specifically manufactured for Life Long Products. \*Free samples are available on both these products.

## **Directions for Use**

Take **one** soft gel vegetarian capsule daily with food as a supplement. For serious conditions, **two or even more** capsules per day can be taken safely; this can be reduced to a maintenance dose once the condition has improved.

For **Sunburn Protection**, take at least **one** capsule per day for at least **two** weeks or more, prior to your holiday (or exposure to the sun) and during your holiday, for **maximum** protection take **two** capsules or more daily. Continue taking BioAstin on your return, to maintain your healthy tan.

BioAstin is also suitable for children, approx 4 years of age or older, once they are able to swallow the capsules.

Please note that when sunbathing, usual precautions **must** be taken and BioAstin should be used in conjunction with a good quality sun protection cream/lotion.

The health benefits of **BioAstin** are many and varied and many of our customers take them on a regular basis to protect their immune systems; alleviate various conditions/problems they may have and/or to boost energy levels.
